

**BUREAU
VERITAS**

Training by Bureau Veritas

All Bureau Veritas trainers are experienced in textile, apparel, leather and footwear industries with detailed knowledge of sustainable chemical management practices and supply chain management.

Bureau Veritas provides tailor-made course content according to your training needs

- ❖ Increase understanding of chemical management standards
- ❖ Guide focus on harmonizing requirements across brand specification and local regulation
- ❖ Provide practical examples to tackle top challenges in the facility
- ❖ In-person and online courses available
- ❖ Available in many languages

Bureau Veritas is ZDHC Accredited Training Provider

We offer ZDHC course to build and enhance knowledge on sustainable chemical management. Upon completion of the course and passing the examination, learners will receive a ZDHC certificate. This certificate can be shared with partners, customers, brands and retailers to show your competency on sustainable chemistry.
